

Acknowledgements

First and foremost I am bound by gratitude to God Almighty & H.H. Swami Ram ji for His grace in accomplishing my task and helping me to overcome all the difficulties.

Dr. Deepak Goel, Principal Consultant, Neurology Max Institute of Neuroscience, Dehradun, Uttarakhand is a synonym for modesty. I am thankful to his for invaluable suggestions, constructive tips & palpable warmth, which has inculcated in me a greater sense of responsibility for academic pursuits.

Dr. Malini Srivastava, Professor in Dept. of Psychology, HIMS, Swami Rama Himalayan University, Dehradun, has the unique quality of immediately making the student feel at ease. I am thankful to you ma'm, for making me understand the subject & scholarly suggestions.

I am happy to acknowledge my gratitude to Dr. Renu Dhasmana, Director Nursing & Professor in Dept. of Ophthalmology, HIMS, Swami Rama Himalayan University, Dehradun, who afford countless suggestions on how the work might be improved & helped me to make it more scientific & methodical. Her wise counsel & unstinted cooperation has helped me to gain insight into the subject.

It gives me immense pleasure in recording here, my heart feel great thanks to Dr. S. L. Jethani, Dean and HOD, Department of Anatomy, HIMS, Swami Rama Himalayan University, Dehradun. Sciences who has been very affectionate & generous to me in extending valuable help during the course of my work.

Mrs. Rekha, Technician, and Mrs. Shanti, office attendant, Dept. of Holistic Medicine, Mr. Amit Sharma, Bio-medical engineer, Himalayan Hospital, extended the proverbial support during my laboratory work. I have always found them standing at my elbow all through my work, supporting me through my bittersweet anxieties.

I am truly not finding the way as to how I can appropriately acknowledge my appreciation towards my friends and colleagues Dr. Pradeep Aggarwal, Associate Professor, Department of Community Medicine, Dr. Ravi Gupta, Associate Professor, Dept. of Psychiatry, Dr. Yogesh Saxena, Associate Professor, Dept. of Physiology, HIMS, Swami Rama Himalayan University, Dehradun; Dr. Sanchita Pugazhendi, Dean, Faculty college of Nursing, Swami Rama Himalayan University,

Dehradun; Dr. Suresh K Sharma, Principal, College of Nursing AIIMS Rishikesh; Dr. Debabrata Roy Registrar Ras Bihari Bose Subharti University, Dehradun; Mr. Laxman Singh Bhati, RN, Toronto; Dr. Sunil K. Ahuja, Dept. of Emergency Medicine, USA; Without their dedicated support & encouragement, this work could not have taken the present shape. They have helped me in ways more than they know.

I am also thankful to Mr. Hemchand Sati, Department of Biostatistics, AIIMS, New Delhi for his sincere and prompt advises in statistical analysis of my data.

I most sincerely record my gratitude to the staff nurses who generously rendered their help & cooperation. I am also thankful to the Nursing supervisors, ward In-charges of the Himalayan Hospital for extending the cooperation and support for this study. I am also thankful to the mind garden.com for providing me copyrights of MBI-HSS in subsidiaries cost for this study.

I extend my immense love and gratitude to my wife Mrs. Prasuna Jelly, my daughters Pranita & Rishika, parents, in-laws, brother, sister and friends for their constant support and encouragement throughout this venture.

Lastly, I am grateful to all of them who have directly and indirectly helped me in the completion of this study.

Rakesh Sharma
